Comfortable and practical

The Interval XXL bed is equipped with an electrically adjustable head part and knee buckle. With the simple touch of a remote button, you can position the bed to read, watching TV or dine. The leg rest in its turn can also be adjusted to the most comfortable position.

This variable height bed is equipped with 4 wheels with separate brakes, ensuring its stability at all times.

Aesthetic and easy to maintain

The foot and head board are an integral part of this XXL bed. The warm colour of the wood makes this bed an elegant piece of furniture that will fit in almost any interior.

Frame colors

Easy-to-use remote with safety locks

Metal mattress holders on all sides

Manual adjustment of the leg part

Easy handling knobs to lower or raise the side rails
