

# Sagitta KIDS

Lightweight active  
kids wheelchair

Based on our successful Sagitta model,  
Sagitta Kids is the children's  
equivalent of our adult version.

**VERMEIREN**  
we care for you

## Adjustable

Based on our successful Sagitta model, Sagitta Kids is the children's equivalent of our adult version. Sagitta is a modern active manual wheelchair with endless personalization options. The armrests and leg rest are fully adjustable as well as a varied number of its measurements. A fully customizable wheelchair, fit-to-size, for its user. Sagitta is available in a wide variety of colors, with colorful spoke protectors and wheel choices.

## Products designed to suit you

Our basic principle is: the wheelchair must be adapted to you, not the other way around. That is why our wheelchairs are evolutive and an answer to your specific needs.

All types of wheelchairs can be adapted, have numerous options and can be fully personalized so that there is a wheelchair for every person. This is the result of our continuous research and experience since 1957.

## Quality guaranteed

Regarding quality, the **Sagitta Kids** complies with the highest norms, laid down by certified test institutes in most European countries.

Made-to-measure wheelchair thanks to its many adjustable features
